

72ND ANNUAL

WPCCSA

Championships

South Hills

COUNTRY CLUB

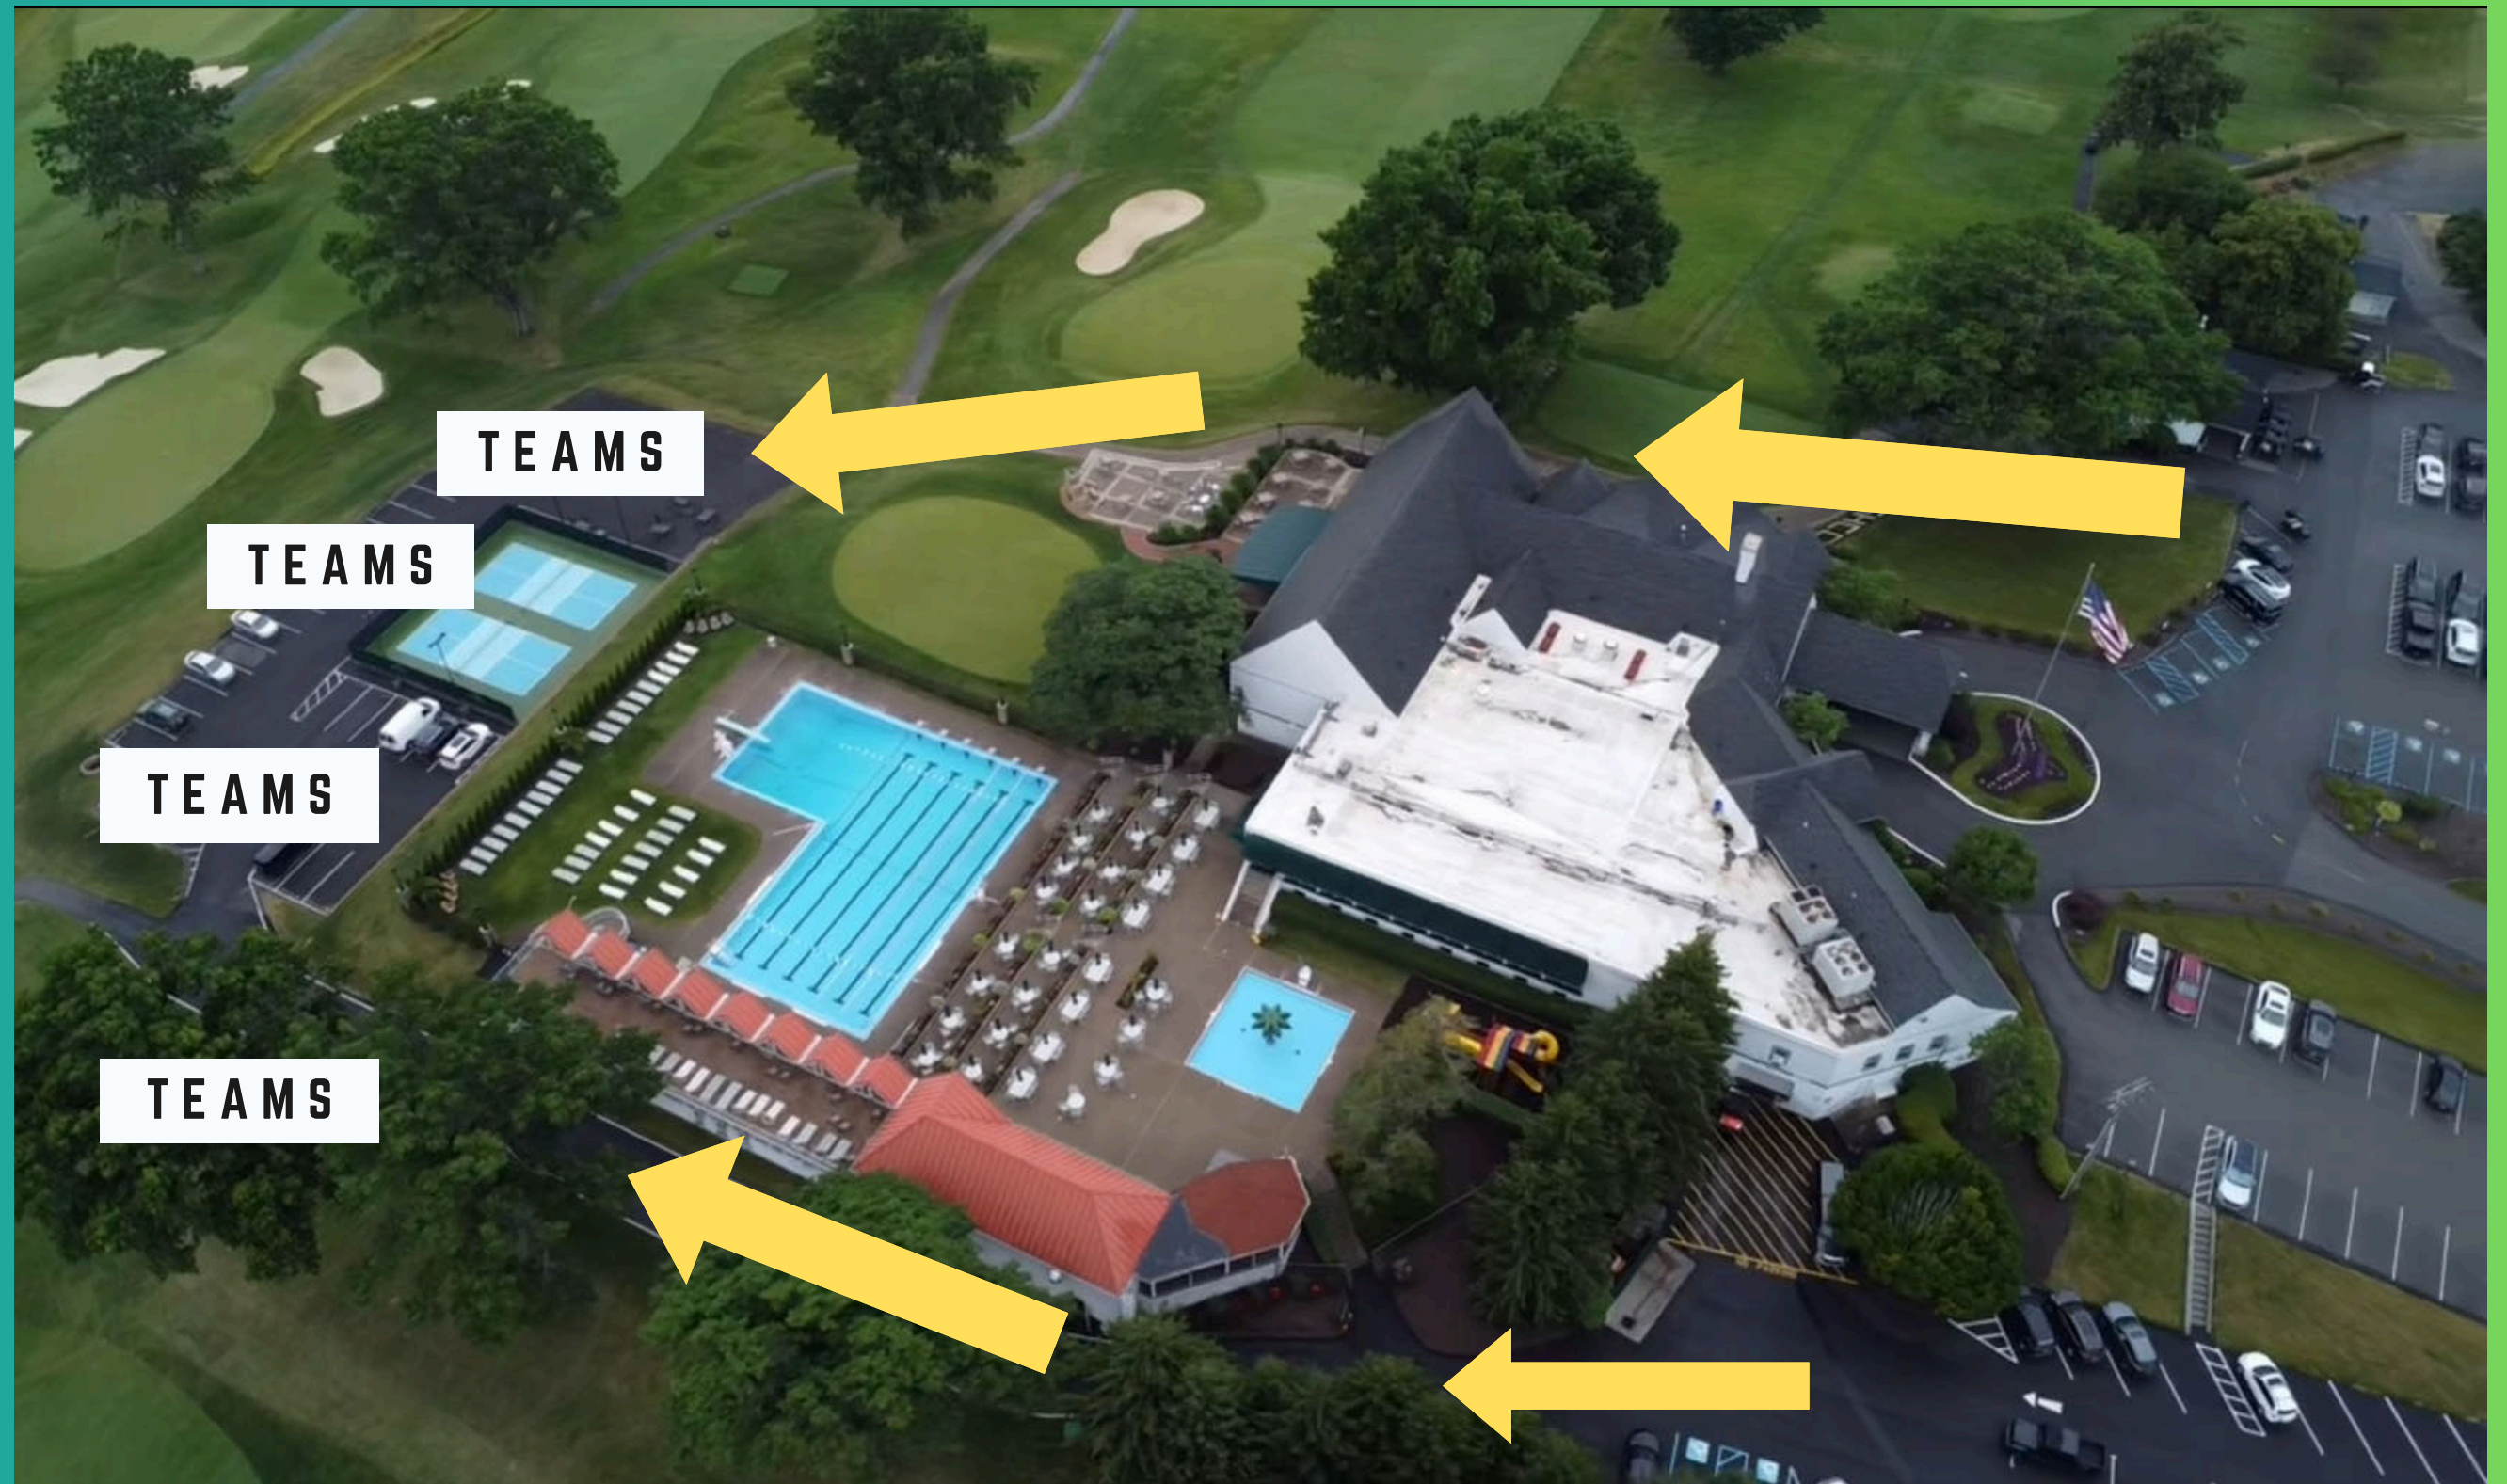

# Team Spaces Locations

# *Access to Team Spaces*

**Our complex is easily accessible from a number of entry points. Teams will be stationed in the rear of the complex seated in grassy areas and/or the Pickleball Courts and/or the parking lot with easy access (up a ramp) to the Clerk of Course area / pool deck.**

**Pop-up tents (with weights for pavement or stakes for grass!) are encouraged.**

# *Swimmer Drop-off*

**We will have a swimmer drop-off path that goes around the upper golf parking lot with a drop-off point at the Cart Path.**

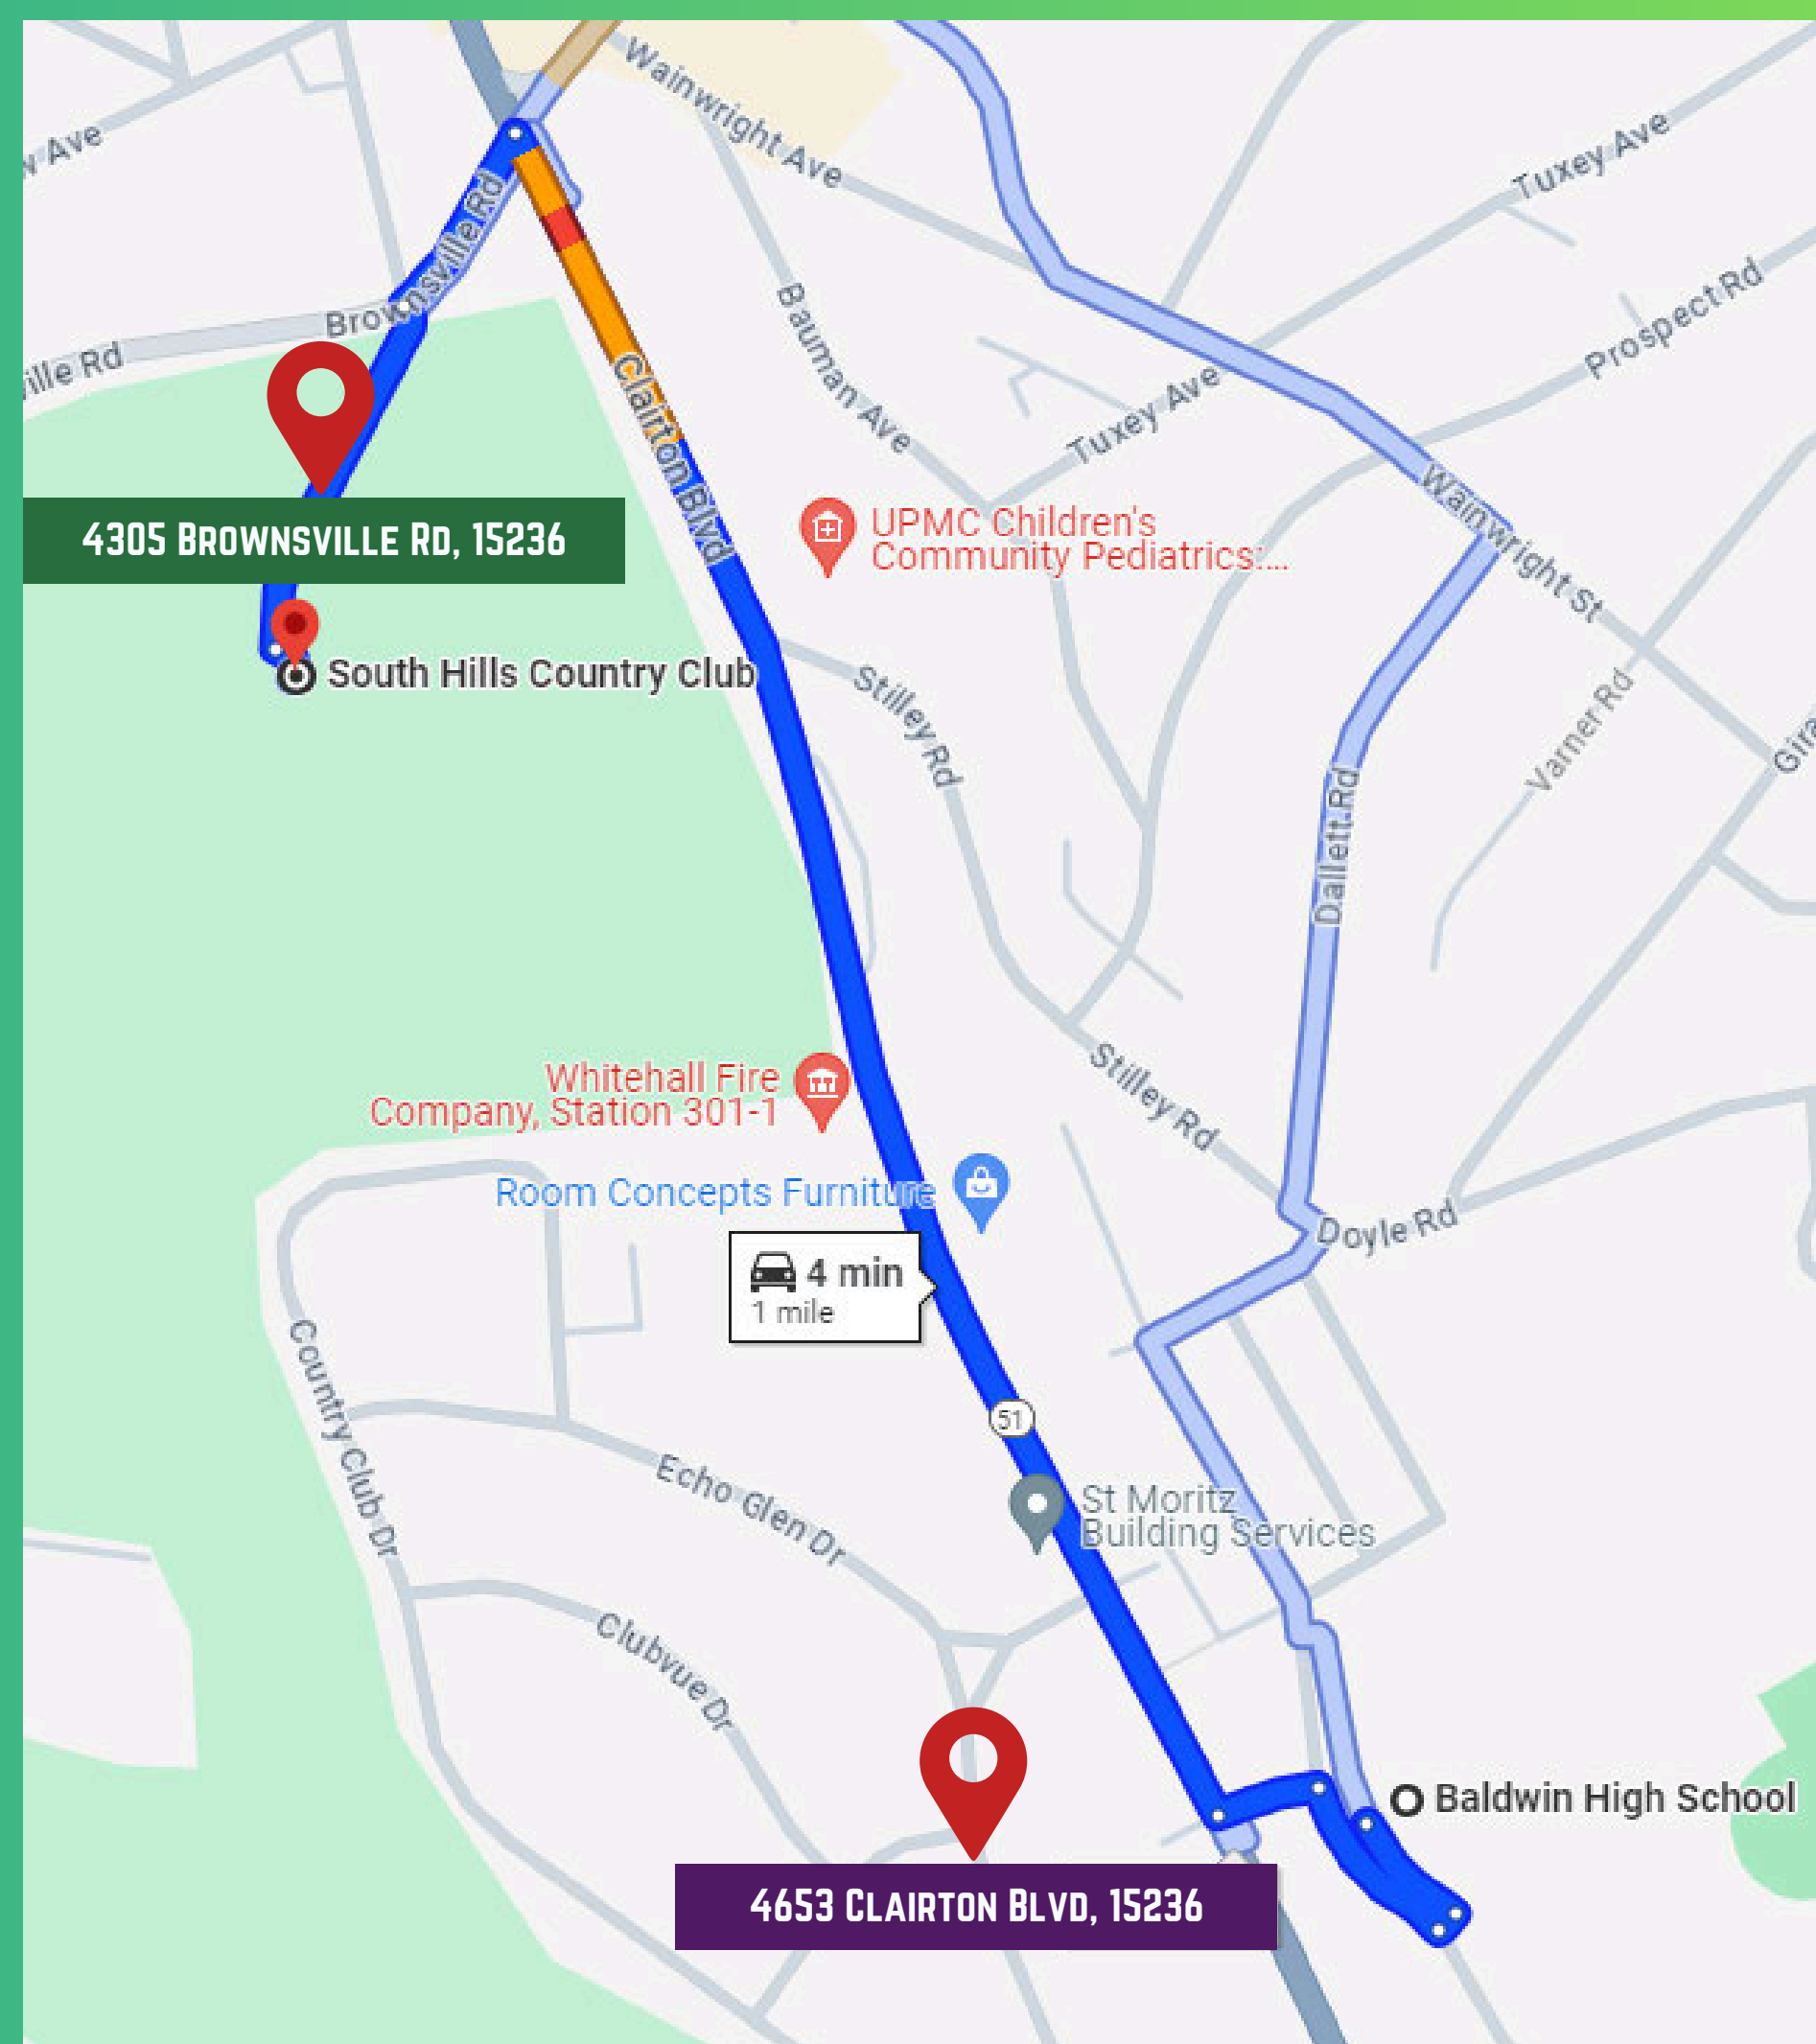

**It is imperative that this is a quickly moving area so that the full traffic lane does not get backed up into the main roads.**

# *Satellite Parking @ Baldwin HS*

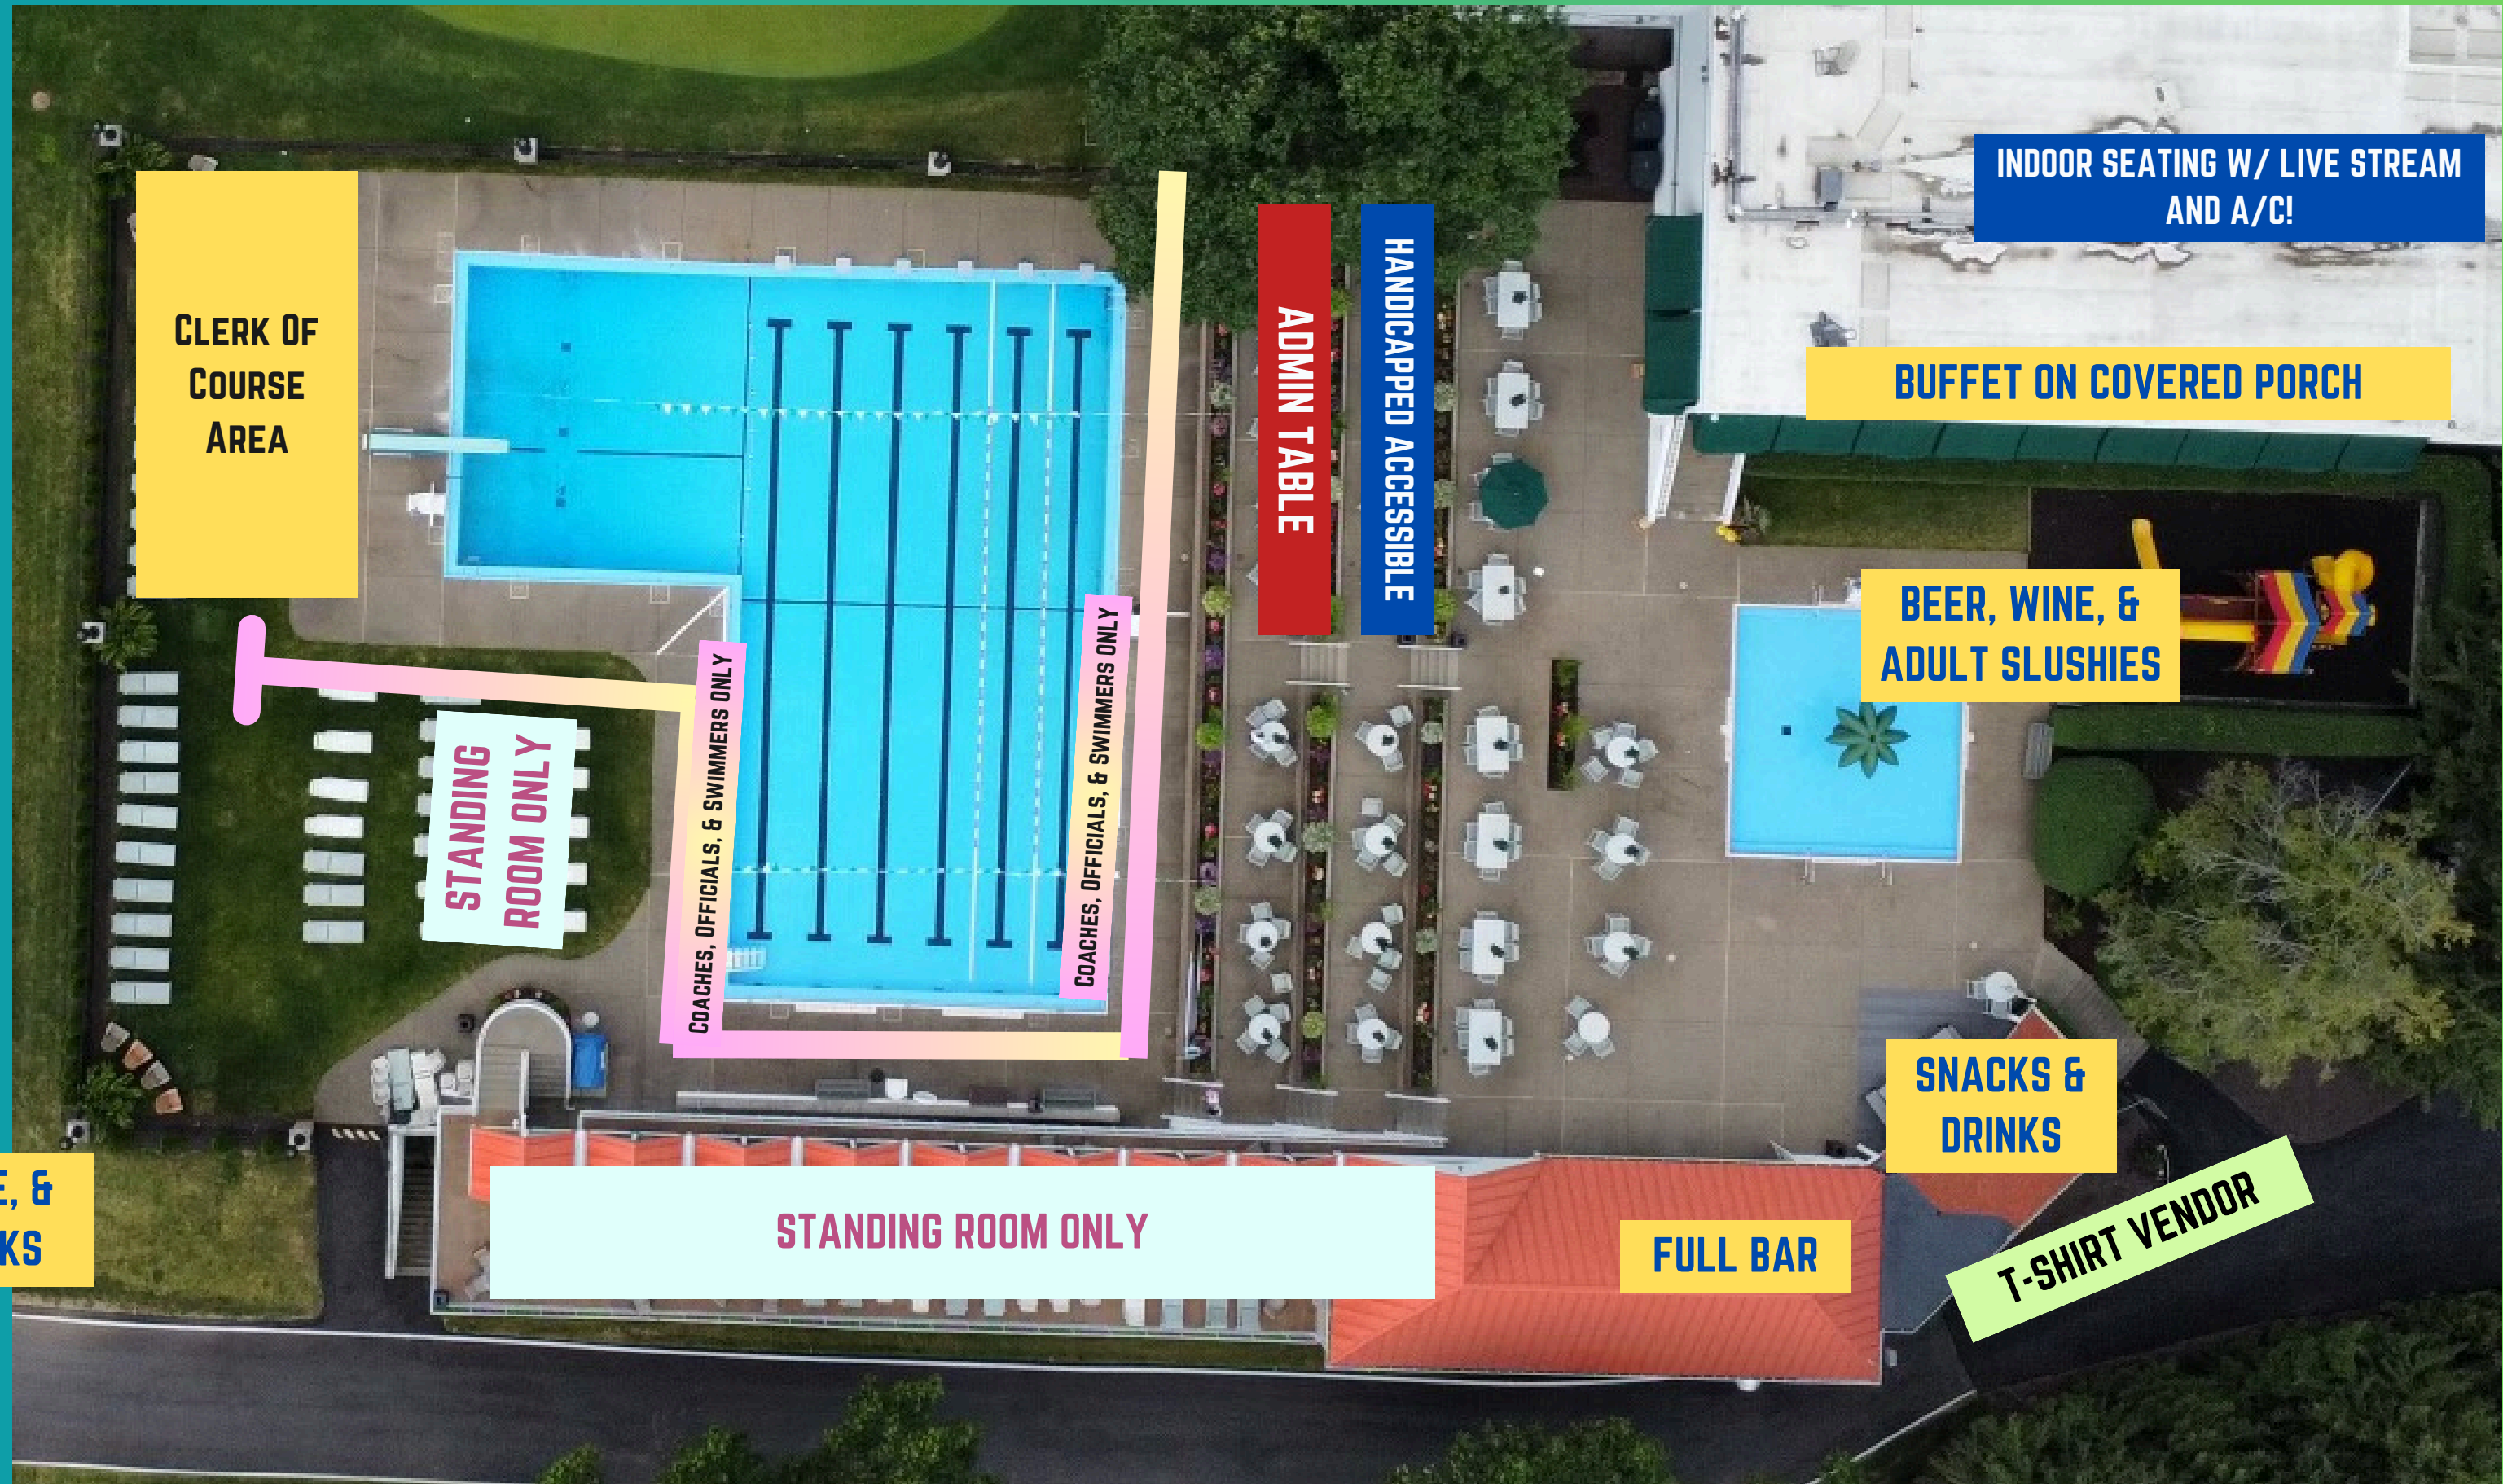

**We have an auxiliary parking lot with shuttle service at Baldwin HS, which is two traffic lights down the road from our club.**

**We highly encourage folks factoring in using our Swimmer Drop-Off path to ensure their athletes are on site for their individual report times. Our two shuttle vans will move folks back/forth as quickly as possible.**

**On-site parking will be directed by our parking attendants. When capacity is reached, we will direct all cars to Drop-Off and shuttle.**

FULL BAR

STANDING ROOM ONLY

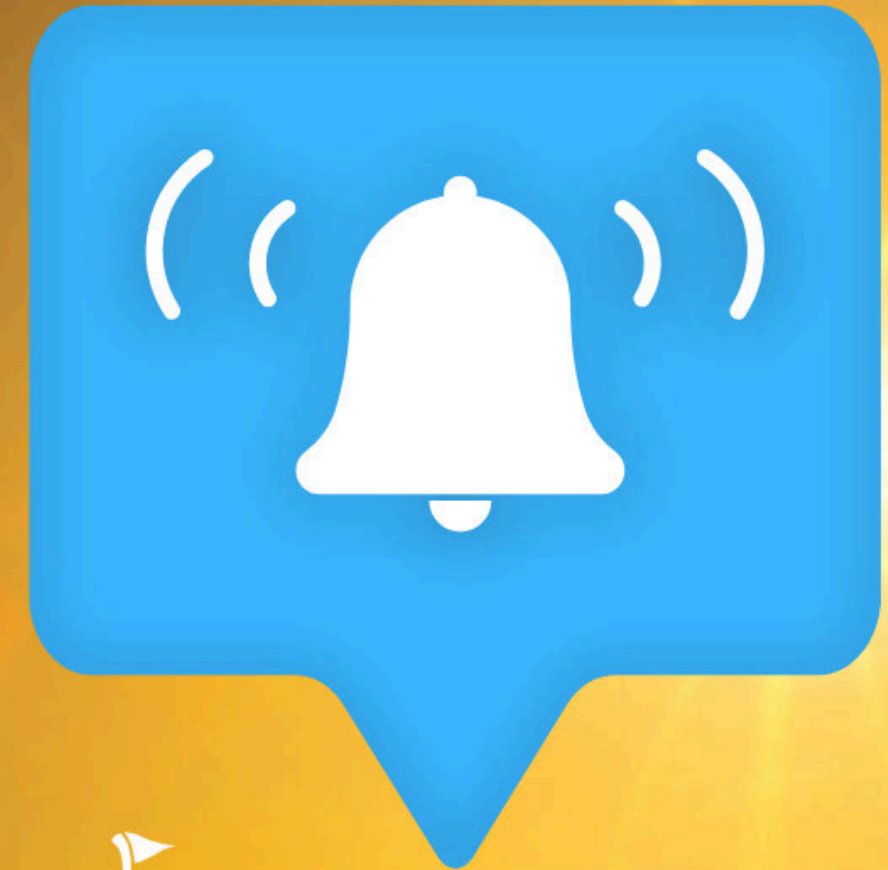

BEER, WINE, & SOFT DRINKS

# *Weather*

**We encourage everyone to stay hydrated BEFORE Champs Day as well as DURING the entire day. We will have plenty of drink stations as well as two rooms for folks to spend some time in the air conditioning.**

**Please remember to apply sunscreen WELL BEFORE entering the sun and water. This not only protects YOU but also protects the pool.**

**Should the weather turn inclement, our staff will guide you the indoor spaces should a rain delay be necessary. Please be extra kind to those assisting.**

**FUN IN THE SUN  
REMINDERS**
